Property Description

If there's something which characterises this development, it's the spaciousness of each of its apartments. Its functional distribution results in comfortable and warm rooms, which have a lot of natural light whatever the season. You'll only have to adapt each space to your personal preferences and decorate all the rooms with your personal touch.

This development is 150m from the Beach in Estepona and you will have all services just a few minutes from your new home. Estepona is a varied city with all the necessary services, restaurants, shops, schools, sports and watersports, yacht harbour, great beachbars/restaurants and much more!

There are 1,2 and 3 bedroom apartments available with prices from €150,000 to €300,000 depending on size and orientation.

Completion end of 2022 or early 2023
